REACH SVHC Declaration

This letter is to confirm that the product(s) referenced below have been evaluated against Regulation (EC) 1907/2006 of the European Parliament, "**Registration, Evaluation, and Authorization of Chemicals (REACH)**", as interpreted by EU Court of Justice decision C-106/14 of 10 September 2015. The compliance status of the product is confirmed by the sections below.

The product referenced below have been evaluated for the presence of the current REACH SVHCs as updated by ECHA. The product and/or articles* contained within the product contains the following SVHCs in amounts listed.

ITEM #	SVHC	CAS	PPM
SF2921-61507	LEAD	7439-92-1	4,000

Please refer to the following for the most current candidate list of substances:

<http://echa.europa.eu/candidate-list-table>.

Additional information on the European Union's REACH regulation can be found here:

<https://echa.europa.eu/regulations/reach/understanding-reach>

*An Article is any item within a part or component of the product which during production is given a special shape, surface or design that determines its function to a greater degree than its chemical composition. An example of articles within an electronic component would be the leads of a through-hole capacitor. For more information, please refer to Example 21 of the EU Chemicals Agency "Guidance for Requirements on Substances in Articles"
