

Cybersecurity Statement

SV Microwave is committed to maintaining the highest standards of data security and protecting sensitive information across our supply chain. Our cybersecurity program is aligned with the National Institute of Standards and Technology (NIST) SP 800-171 framework and the requirements of the Cybersecurity Maturity Model Certification (CMMC). To ensure continuous compliance and transparency with our Department of Defense (DoD) partners, we actively maintain and report our current cybersecurity assessment scores within the Supplier Performance Risk System (SPRS).

For questions regarding cybersecurity documentation, please contact:
